The Pennsylvania Propane Gas Association (PAPGA) is a member-focused trade association providing services that communicate, educate and promote the propane industry in Pennsylvania. The association was formed in 1947 to offer opportunities to learn through training and networking with peers, and to aid with legislative issues that contribute to operating a safe and successful industry. PAPGA continues to focus on education, networking and representing the interest of Pennsylvania's propane businesses to the government, while assisting members in remaining current on topics vital to the propane industry. The Pennsylvania Propane Gas Association is affiliated with the National Propane Gas Association (NPGA) and the Propane Education and Research Council (PERC).
