Affinity Benefit Programs

Debt Collection - Through [A.R.M. Solutions](#), PAPGA assists you in collecting bad debts. No matter what size the account, A.R.M. Solutions collection programs are designed to produce results; ethically, professional, and effectively.

Compliance Risk Management Safety - PAPGA has partnered with [P3](#) to offer members a web-based application to organize, integrate, store and manage important safety information required by insurance companies.

Credit Card Processing Fees - [Integrity Merchant Solutions](#) (IMS) will help you qualify credit cards transactions at the lowest possible rates for our industry.

Governmental Affairs - The Governmental Affairs Committee, along with PAPGA's lobbyist, continually monitors legislation and regulations affecting the industry on the state and federal levels and determine the proper position and action to be taken, if needed. They make recommendations to the board on specific propane regulatory and governmental issues. The Committee is comprised of members with interest or expertise in state legislative or regulatory affairs to oversee the Association's governmental relations and regulatory efforts who also serve as advocates for laws and regulations favorable to the propane industry. PAPGA strives to work towards sound and cost effective legislative and regulatory changes.

Marketing - The Marketing Committee is responsible for assisting in the passage and implementation of the Propane Education and Research Council (PERC) on a state level by determining uses for 65% of the Pennsylvania Propane Foundation's annual budget. They establish all facets of marketing, including public relations, media relations, promotions and advertising to promote propane awareness to consumers and the industry in Pennsylvania. The AutoGas Subcommittee is also a function of the marketing committee.

Membership Directory - Available only to association members, in hardcopy and digital on our members-only area of our website.

Members-Only Website - While there is public access to our website, there is a restricted area only members can access. This area includes the legislative/regulatory information that affects your business.

PA811/PA One Call - We pick up the annual service fee for PA One Call Systems, Inc. State law requires notification to PA One Call (Dial 811 or 800-242-1776) three (3) days prior to disturbing the earth with any type of powered equipment or ten (10) days working notice when in the design phase. After you call, you will receive an invoice, simply forward (mail, fax or email) to PAPGA's office. Your membership will be verified and sent to PA One Call marked paid. That's **\$125 saved by being a PAPGA member!**

PAPGA Logo - Members may use PAPGA's logo on their website, advertisements and other marketing materials. Customers feel confident about your company's professional character when you proudly display the logo.
